

A special note from the CBC Prayer Committee and Executive Board:

We want to celebrate new life in the Covenant Brethren Church! Once per month, we will be sharing names of individuals who have become members either by conversion and baptism or by recommitment and transfer. We will be inviting all CBC members and churches to praise God for these new members and to pray for them in their new walk with the Lord and His church. In order for this to happen, we will need each congregation to send names of all new members to Sister Christy Cosner at christy.cosner@covenantbrethren.org who will forward them to the committee to share. Thank you for your help in celebrating new life in Jesus' Body!
