

Your Chance at a Short-Term Mission Trip

Do you or the youth of your church want to get more involved in missions? Covenant Brethren Church is offering you that opportunity. A short-term mission trip especially for youth is planned for June 9-17, 2023 to Guatemala. We will be working in a Christian School in San Juan La Laguna. We will be taking food and Bibles to remote villages, building wood burning cook stoves, and doing repair work on some of the simple houses that the people of the area live in.

The cost of the trip is \$1,500 per person which covers everything except your spending money. Covid protocols have been lifted so you don't need a vaccination to make the trip. This is a safe trip.

Many people have made this trip in the past and have come back wanting to return on the next trip. You won't want to miss this opportunity. If interested, please contact Craig Howard at 304-668-1731 or email him at craig.howard@covenantbrethren.org. Additional adult leaders are welcome also.
