

Reminder of the Offerings at Annual Meeting and Worship Conference

At the upcoming Annual Meeting and Worship Conference, congregations and members will have the opportunity to share in our offerings for the work and ministry of the Covenant Brethren Church

1. During the Thursday evening, July 16, worship service, we will be taking our **Celebration Offering for the General Fund** during the service as we celebrate God's blessings and guidance in the ministry of the Covenant Brethren Church. Keep in mind that 10% of all General Fund giving is tithed to the CBC Mission Fund.
2. For the Friday evening, July 17, worship service, The Executive Board has determined that the entire offering will be for the **CBC Mission Fund** to help support mission work, evangelism efforts, and assisting Church building projects within the CBC both domestically and around the world.

We encourage you to come to the AMWC prepared to share generously in the work of the CBC with your giving.
