Dear Brothers and Sisters,

Our National Youth Tee shirts were offered at the Annual Meeting and Worship Conference for the first time. Several people ordered them there but there were many youth that are in churches all over the denomination that were not made aware of them. So, we are sending out this order form. You can print out this sheet then fill it out and mail it to the address above with a check for \$18 per shirt made out to Covenant Brethren Youth. We will have them made and sent to you right away. Hope you enjoy them

I don't know why the shirt looks stained in this picture but they are beautiful shirts designed by the youth themselves. They are teal in color and well made. Let us know if you want one. I was asked if we can get these in child size and the answer is yes.
